SCOPE OF THE JOURNAL

International Journal of Advances in Chemistry (IJAC) is a peer-reviewed, open access journal, addresses the impacts and challenges of Chemistry. The journal documents practical and theoretical results which make a fundamental contribution for the development of Chemistry.

Topics of interest include but are not limited to, the following

- Analytical Chemistry
- Biological Chemistry
- Catalysis / Synthesis
- Environmental Chemistry
- Materials, Polymers & Nanoscience
- Organic Chemistry
- Physical Chemistry / Chemical Physics
- Theoretical and Computational Chemistry

Paper Submission & Manuscript preparation Guide

Paper Submission

Authors are invited to submit papers for this journal through Email ijrcjournal@airccse.com. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this Journal. For paper format download the template in this page

Process

Submissions are accepted for review with the understanding that the same work has been neither submitted to, nor published in, another publication. Simultaneous submission to other publications will result in immediate rejection of the paper. Papers are not within the journal scope will be rejected immediately after the pre review process.

All manuscripts will be subject to a well established, fair, unbiased peer review and refereeing procedure, and are considered on the basis of their significance, novelty and usefulness to the Journals readership. The reviewing structure will always ensure the anonymity of the referees & it will be reviewed by 3 experts in the field. The review output will be one of the following decisions:

1. Accept
2. Accept with Minor changes
3. Weak Accept with Major changes
4. Reject

The review process may take approximately two ~ three months to be completed. The Editor reserves the right to reject a paper if it does not meet the aims and scope of the journal, it is not revised well.
